

# Touch A Truck

All proceeds  
will go to the:

## Bring Your Kids for a Special Day!

First responders, essential workers, and large equipment will be available for children to touch, climb on, and learn about. Drivers will be on hand to answer questions.

The first two hours of the day (8:30-10:30 a.m.) are reserved for families with special needs, medically complex, or low sensory children and adults. This will allow for slower paced exploration and quieter play.

Local food trucks and kids activity stations will be available throughout the day! Free water, snacks, and sunscreen for all attendees.
